

Application Qualification for Undergraduate Courses (April 2020 Admissions)

Those who have non-Japanese nationality, who graduate from a specified school outside of Japan by March 31, 2020 and also who meet one of the following requirements:

- (1) Those who have completed a 12-year course of school education outside Japan and have a qualifying certificate for universities in the country you completed the course of school education,
- (2) Those who are expected to obtain university entrance qualifications outside Japan, such as International Baccalaureate, Baccalaureate in the French Republic and Abitur by March 31, 2020. However, if the applicant has a period of enrollment in schools* based in the Japanese education system, the period of enrollment is not more than three years.
- (3) Those who are deemed by KGU to have a scholastic level similar or higher than a high school graduate based on a separate screening and will reach the age of 18 by March 31, 2020

*The schools specified are elementary, junior high and high school.

Please note that all courses at Kanto Gakuin University are taught in Japanese.
